[00:00:08](#) Jack

Today, social has put together a very interesting would you rather question so social?

[00:00:17](#) Jack

I'm gonna kick it over to you.

[00:00:18](#) Jack

Please share your would you rather.

[00:00:20](#) Jack

With the rest of our students.

[00:00:24](#) Xochitl

OK.

[00:00:24](#) Xochitl

Jack, I have an interesting one for us today.

[00:00:27](#) Xochitl

Would you rather eat anything you want for the rest of your life, no matter the cost, weight or anything you want for the rest of your life?

[00:00:37](#) Xochitl

No matter the cost.

[00:00:42](#)Jack

This is a tough one.

[00:00:44](#)Jack

Now if I eat anything I want for the rest of my life, am I going to gain, like, do all those calories count or do I stay the same weight?

[00:00:54](#)Xochitl

Interesting deck.

[00:00:55](#)Xochitl

I was thinking more in terms of expenses like you can eat like, work them every day if you want.

[00:01:02](#)Xochitl

And you could you would put on weight, but you would not.

[00:01:04](#)Xochitl

Have to pay for it.

[00:01:06](#)Jack

OK, I wouldn't have to pay for it, but I would gain weight.

[00:01:11](#)Jack

Like, gosh, that is a dangerous one because I love food and I could just wake up one day and be like I'm hungry.

[00:01:20](#)Jack

I want sushi and boom, there's sushi.

[00:01:27](#)Xochitl

You don't have to gain that much weight.

[00:01:27](#)Jack

I'll tell you what, OK?

[00:01:29](#)Xochitl

Eating sushi like rice and fish.

[00:01:31](#)Jack

Yes, if I pick some, if I could wake up any day and eat a salad with no dressing.

[00:01:37](#)Jack

Yes, that's what I.

[00:01:38](#)Jack

Want no, I'm going to be honest with.

[00:01:43](#)Jack

This one OK.

[00:01:45](#)Jack

Right now I'm on.

[00:01:46](#)Jack

I'm actually on a diet right now.

[00:01:48](#)Jack

I'm trying to lose some weight because.

[00:01:51](#)Jack

I got heavy during COVID because COVID requires eating and sitting, sitting and eating, eating and sitting and sitting and eating.

[00:02:03](#)Jack

And so I'm trying to lose a few pounds.

[00:02:08](#)Jack

So I think I would rather continue to try to lose weight down to the body shape that I'm happy with, but I could have all of the clothes that I want to wear with my new slim body.

[00:02:26](#)Jack

And nothing can slow me down.

[00:02:27](#)Jack

If I see a photo in a magazine, and I'd like those clothes, I could have them right away and I would always look stylish and cool and.

[00:02:40](#)Jack

You know.

[00:02:42](#)Jack

I just think that I would rather have the clothes than the, you know, than than the food, but.

[00:02:55](#)Jack

Feel free to disagree with me and tell me what you think about this.

[00:02:59](#)Xochitl

This is funny because.

[00:03:02](#)Xochitl

I love clothes, and yet I would definitely pick being.

[00:03:07](#)Xochitl

Able to eat.

[00:03:07](#)Xochitl

Whatever I want and out of the cot.

[00:03:10](#)Xochitl

I love clothes, but I have so many clothes already and I'm also a big thrift shopper.

[00:03:15](#)Xochitl

I like like vintage items and you can get them fairly cheap and I think.

[00:03:19](#) 발표자

Me too.

[00:03:22](#)Xochitl

As women, most of us spend a huge portion of our lives discontent with.

[00:03:26](#)Xochitl

Our bodies and just to the point where I also put on weight during covered up to the point where I'd rather just accept the where I live because I'm constantly trying to change.

[00:03:38](#)Xochitl

But I think for me I wanna be able to try.

[00:03:42](#)Xochitl

Any kind of food that I want.

[00:03:45](#)Xochitl

And no matter the price, you can get really high quality food.

[00:03:50](#)Jack

That's true.

[00:03:51](#)Xochitl

And eat high quality food every single day, which is really important because in today's culture, where a bunch of food have like crazy pesticides and hormones and antibiotics and all kinds of terrible things for you, being able to eat like the best cut of salmon grass would be.

[00:04:10](#)Xochitl

And organic produce is pretty much priceless, and I probably will like to be like a tree with a great diet.

[00:04:21](#)Jack

Yeah, but if you eat like Kobe beef every.

[00:04:24](#)Jack

Day with some nice greens and.

[00:04:26](#)Jack

Stuff that's really healthy.

[00:04:28](#)Jack

And super delicious.

[00:04:31](#)Xochitl

Yeah, I could live a.

[00:04:32](#)Xochitl

Long time.

[00:04:37](#) 발표자

Should I change?

[00:04:37](#)Jack

My answer? No, don't, don't.

[00:04:40](#) 발표자

OK.

[00:04:41](#)Jack

Take these back.

[00:04:42](#) Jack

These don't take these back, these right?

[00:04:45](#) Xochitl

Yep. Now take care.

[00:04:48](#) Xochitl

So let us know it is the English listeners.

[00:04:51](#) Xochitl

Let us know what you would rather pick.

[00:04:53](#) Xochitl

Would you rather be able to eat anything you want in in the world at the cost the rest of your life or be able to wear anything more in the world than the costs?

[00:05:05](#) 발표자
